The *Lawyer Monthly Private Client Awards* recognises the achievements of the most knowledgeable and solution-orientated lawyers in the profession today. Annually published, this special edition returns to showcase the best law firms and lawyers who work with private clients to ensure they are giving the best possible advice relating to their estates, trusts and assets.

Here at *Lawyer Monthly*, we illustrate the finest talent; from law firms that provide the best legal services to each and every one of their clients, to the individual lawyer who has gone above and beyond to manipulate their expertise in order to achieve what some deemed impossible. The sheer range of categories listed inside, perfectly reflects how private client legal services is ever-increasingly dynamic, responsive and tuned to the demands of their clients.

After extensive research and consideration, *Lawyer Monthly* warmly presents the winners of the 2018 Private Client Edition. We are delighted to present the firms and individuals that continued to progress throughout the year to enable the somewhat daunting and difficult legal processes, to go as smoothly as possible for their clients.

The selected winners provide outstanding service to a diverse range of individuals: from clients wanting to protect their assets, to landlords and high-net entrepreneurs. *Lawyer Monthly* would like to sincerely congratulate all of the 2018 winners and wish them continued success for the upcoming year.
